

Rich's Design Packages

2 weeks to 1 month turnaround

All Logo Design Packages require a 50% deposit payable before the design process begins. The balance is due after completion of the project and must be paid before the transmission of finalized vector logo files. Pricing is based upon the scope and complexity of the logo design and is determined after our logo design questionnaire is completed. Each package below will result in 1 finalized vector logo. Custom packages for multiple finalized logos can be developed.
